

SOUTH JERSEY BIKE SHOPS: COVID-19 UPDATE

Governor Murphy's Executive Order 107 (Stay at Home Order) includes bicycle shops as essential services, allowing them to remain open for maintenance and repair. Shops may also now resume retail sales with proper social distancing guidelines. This is a list of bicycle shops in Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester and Salem counties and their current status. For each shop, Cross County Connection recommends calling ahead to ensure they are still operating under the same hours as these are subject to change. If you are a bike shop and would like to be included or update your store information, please email farley@driveless.com.
